MEMBERSHIPS ARE DUE

You get to be a TRAA member for a whole year for only \$25!
Your membership also adds another voice to our efforts in protecting and enhancing the aquatic habitats in the London & area community. You've taken a lot of enjoyment from this unique fishery. It's time to give back by being a part of the solution.

FUNDRAISING

Efforts are underway to get the funding we need to continue many of the TRAA's most vital projects:

Improvements to the TRAA Trout Hatchery

Continuation of the Salmonid Monitoring Program

Funding the Komoka Creek Hydrological Study

Please email us if you'd like to take an active role in raising the funds needed for these and other important TRAA activities.
